Walls collapse shock!

Jericho fell to Joshua and his army yesterday as the walls collapsed. But eyewitnesses claim that it was **MUSIC** that made the walls fall down.

“I heard the trumpets, and then the walls came tumbling down” said Ruth (39), a bystander. “Then the army came rushing in through the fallen stones.”

Questions are certain to be asked of the builders. “Someone must be to blame,” said one city official, “walls shouldn’t fall down just

because someone plays a tune.”

Joshua, the new leader of Jericho

But Joshua was certain how it happened. “God gave us this victory. He told us that if we did as he said, the walls would fall down. And they did!”

Whatever the cause, one thing is certain. Joshua has won the battle of Jericho, and the walls came tumbling down.
